## ABOUT

Sonia Mokhtari is a French-American composer and sound designer. She holds a Master's degree in Applied Music for Visual Arts and a Diploma from Berklee College in Composition and Sound Design for Film, TV, and video games. With a background in jazz, she is passionate about blending orchestral music with electronic sounds. Sonia has composed music for numerous short films, web series, one feature film, documentaries, as well as music and sound design for video games.
